### **2015 Danone Shareholders' Meeting**

Danone's shareholders approved all resolutions during the Shareholders' Meeting held today.

52.51% of Danone's total outstanding share capital was present or represented at this Shareholders' Meeting.

The Shareholders' Meeting notably approved the statutory and consolidated financial statements for the 2014 fiscal year, and the proposed dividend of €1.50 per share, up +3.5% from 2013.

Furthermore, the Shareholders' Meeting decided to offer each shareholder the possibility to receive the dividend in cash or in DANONE shares.

The issuance price of these new shares issued in payment of the dividend is set at €57.26. It represents 90% of the average of the opening Company's share prices on Euronext Paris of the 20 trading days preceding the date of the Shareholders' Meeting less the amount of the dividend, rounded up to the nearest euro cent.

If the dividend amount does not correspond to a whole number of shares, shareholders having opted for a dividend payment in shares will receive the number of shares immediately below, plus a payment of the balance in cash.

The new shares will be entitled to dividends as of January 1, 2015 and will carry the same rights as the Company's existing shares.

The ex-dividend date (or ex-date) is set on Thursday, May 7, 2015, the record date being set on Wednesday May 6, 2015.

Shareholders may opt to receive dividends in cash or in shares from Thursday, May 7, 2015 (included) to Thursday, May 21, 2015 (included). Beyond this date or failing to exercise the option, the shareholder will receive the dividend in cash only.

Shareholders are responsible for determining the conditions and consequences of exercising the option which could apply under local laws; they are advised in particular to consult their tax advisors. In deciding for or against the payment of the dividend in shares, shareholders must consider the risks associated with a share investment in the Company.*
